Admiral Stansfield Turner  
Director  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Admiral Turner:

The Washington Journalism Center is sponsoring a Conference for Journalists on The World of the 1980's from June 9 through 12, 1980 in Washington.

We would like you to participate in the Conference, speaking informally for about 15 minutes and then answering questions for an hour or so.

About 25 editors, editorial writers, commentators and reporters from throughout the country will participate in the Conference, which is one of a series the Center has been sponsoring since 1971 to help develop a broader understanding among journalists of key issues in the news.

Attendance at the Conference is limited so that the sessions can be both informal and informative.

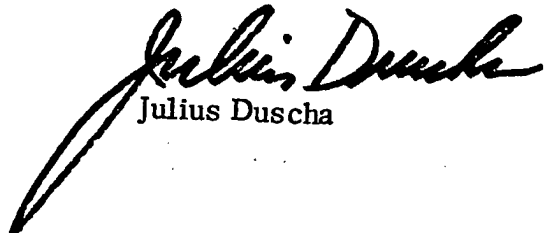

We would like you to talk about current intelligence issues and lead a discussion at a session at 3:00 p.m. Tuesday, June 10. We of course can bring the group to your office.

If this time is inconvenient, I am sure that we can arrange a time to suit your schedule.

Enclosed is additional information about the Conference on The World of the 1980's together with material on the Center's continuing Conference program.

We are hoping for an early and affirmative reply and would appreciate your sending a biographical sheet along with your acceptance.

Sincerely,

  
Julius Duschka
